Clue 5

This is our last clue before the REVEAL! I am so excited to share this with you. Let's get right into today's clue and finish it up!

First things first:

<i>LIGHT 7-1/4" strip</i>	<i>1</i>
<i>-cut to 7-1/4" squares</i>	<i>3</i>
<i>-cut on BOTH diagonals for triangles</i>	<i>12</i>
<i>LIGHT 4-1/2" strips</i>	<i>2 (less if you use scraps)</i>
<i>-cut to 4-1/2" squares</i>	<i>12</i>
<i>LIGHT 3-1/2" strip</i>	<i>1 (if you don't have the scraps)</i>
<i>-cut to 3-1/2" squares</i>	<i>12</i>
<i>MEDIUM 3-7/8" strip</i>	<i>2</i>
<i>-cut to 3-7/8" squares</i>	<i>12</i>
<i>-cut on ONE diagonal for triangles</i>	<i>24</i>
<i>DARK 4-1/2" strips</i>	<i>1 (if you don't have the scraps)</i>
<i>-cut to 4-1/2" squares</i>	<i>3</i>

Let's take those LIGHT triangles we cut first above. We will use the MEDIUM 3-7/8" triangles with those LIGHT ones to make more flying geese, this time the "normal" way.

We will make these in exactly the same manner we did the "tri-recs" units in Clue 4, with one MEDIUM on each side of the LIGHT. These units should measure 3-1/2" x 6-1/2" today and be pressed toward the MEDIUM. Don't forget to trim off those dog ears.

After cutting all the remaining squares, we are finished for today. Save the squares for the REVEAL.
