Fabric Requirements

I just can't stop! These little ones are so much fun. This quilt has a bit of a challenging part to it, but we are just going to do it step by step and we will get there. The rest is easy peasy lemon squeezy!!! YOU CAN DO THIS! I am making a mountain out of a wee hill.

First things first: The Fabric Requirements for our 48" X 60" flimsy. My choices for this three (3) colour quilt are pictured below. I am using a charcoal print as my dark, I have cream sparkles for the light. and for the POP, I chose Turquoise sparkles for the win!

I am pretty excited to share this one with you!

The Requirements:

<i>LIGHT</i>	<i>1-3/4 yards</i>
<i>MEDIUM</i>	<i>3/4 yard</i>
<i>DARK</i>	<i>1-1/4 yards</i>

This quilt has a very specific design, so you may want to wait till the REVEAL to see IF you want to make it larger and if you do, how you would do it. These requirements INCLUDE a pieced border. I need to STOP with the hints, you will figure it out too early!

My fabrics for this one:
