Clue 2

*How about an easy week this week. Let's sew some strip sets and cut them down to our desired sizes of units. We will do two different ones again this week, easy right!?!?!?!?*

*Here is your cutting chart:*

	Lap	Twin	Queen	King
<i>DARK 3-1/2" strips</i>	4	4	5	7
<i>LIGHT 3-1/2" strips</i>	4	4	5	7
<i>- cut to 3-1/2" units</i>	40	48	60	84
<i>MEDIUM 2 2" strips</i>	4	5	6	9
<i>DARK 2" strips</i>	4	5	6	9
<i>-cut to 2" units</i>	80	96	120	168

*Using the same process for both, we will sew the strips together first, then cut them down to units. Please press the DARK/LIGHT combo toward the DARK. Please press the MEDIUM2/DARK units to the MEDIUM2.*

*Your DARK/LIGHT units will finish at 3-1/2" x 6-1/2" today and you will cut your strip sets down into the number of "-cut to units" in your chart above. Your DARK/LIGHT units should resemble this:*

*Your MEDIUM 2/DARK units should measure 2" x 3-1/2" today, remember to press toward the MEDIUM 2 for this one:*
