

## *Precious Memories*

*By Debi Montgomery*

### *Fabric Requirements*

*For this quilt, we will be using four colours. I used black, green, purple, and cream (1 light, 2 mediums, and 1 dark) Make sure they all play nicely together. If I had to choose, the light would be the background. It would also look good if you reversed the light and dark. The measurements and requirements are given with NO BORDER, if you want to add a border, you will need to “purchase” accordingly. I have “bulked up” a bit for mis-cuts and straightening.*

*Just a side note, this quilt was designed on the day my best friend had to put her dog down. We played with colours to distract us from the sadness at hand. We were sad to see Turbo go, but with cancer and mistreatment earlier in her life, it was time. There will never be another quite like Turbo. This quilt is dedicated to all our fur babies who love us unconditionally.*
