Clue 1

Here are your cutting charts, please refer to the original size for assembly instructions.

LIGHT (background)	
"L" template	24

Green	
3/4" x 2" scraps	4
3/4" x 1-3/4" scraps	4
1-1/2" squares	2

Berries (my red)	
Using the quarter circle template cut	24
1-3/4" squares	8

I would print and reduce your template until it measures 2" for the "L" shape and 1-3/4" for the circle part. These are tiny little fellas!
