Clue 4 REVEAL

Now that was fast!! Here we are at the end of this quick project!! We are nearly ready to put this cute runner on display! We all made the same size, so here she is!!

This is on my design wall you you can see how we are to put it together. I added a 2" (cut at 2-1/2") LIGHT border around the outside to finish it off. The final size is 40" x 64" after the border. If you prefer not to add the border, your table topper/wall hanging will be 36" x 60".

If you want that border, you will need to cut at least 5 strips at 2-1/2" to complete. For your binding, you will need 6 strips at 2-1/2" (or your favourite size).

Isn't this just the cutest thing???
