 Clue 1 The Chains

*For these chains, we will make everything from 2-1/4" strips. If using scraps, you just need to make sure your squares are 2-1/4". We will make the "chain" parts from the MEDIUM and DARK. We will need some BACKGROUND to cut some rectangles to shape our chains in the "X". The cutting chart is for 17 chain blocks. I will include a column for ONE block so you can increase or decrease as you need for the size you want to make.*

<b>BACKGROUND</b>	<i>Twin Size (17 blocks)</i>	<i>ONE BLOCK</i>
<i>4" WOF strips</i>	10	
<i>Sub-cut to 4" x 5-5/8" units</i>	68	4
<b>MEDIUM</b>	<i>Twin Size (17 blocks)</i>	<i>ONE BLOCK</i>
<i>2-1/4" WOF strips</i>	12	1
<b>DARK</b>	<i>Twin Size (17 blocks)</i>	<i>ONE BLOCK</i>
<i>2-1/4" WOF strips</i>	13	1

*For each block you will need 12 MEDIUM and 13 DARK 2-1/4" squares. If making the twin size (17 blocks), these are easier to use longer strips or WOF if you have them. We will "strip" sew these.*

*We need to strip sew these MEDIUM and DARK strips before we can create our 4- and 9-patch units. Let's do this!*
