Clue 4 REVEAL

I told you this was a pretty quick project and I am hoping this doesn't disappoint!! We are ready to assemble this beauty. All sizes have the same layout. If you chose to do the border, you will use the Clue 1 Block C units with some additional cutting listed below to complete like mine. I added those borders to make mine a 105" square! Too Much Fun!!

Here she is!

Border Cutting:

LIGHT	12" blocks	15" blocks	18" blocks
4-1/2" WOF strips	6		
5-1/2" WOF strips		8	9
DARK	12" blocks	15" blocks	18" blocks
2-1/2" WOF strips	6		
3" WOF strips		8	9

Stitch each fabric end to end into LONG strips. You will have two very long strips now. Please stitch these LIGHT to DARK now and cut to FOUR borders.

Border Lengths	12" blocks	15" blocks	18" blocks
6-1/2" x 60-1/2"	4		
8" x 75-1/2"		4	
8" x 90-1/2"			4

Borders:

Two of these will need those border corner units we created in clue 1 (Block C) stitched to the short ends like this:

Ready to assemble!

Adding those borders:

I took this pic before I stitched it together. I decided to leave this pic as the centre layout is different. I also have two blocks, one on the top left, one on the bottom right, that are rotated. I made these fixes, but choose your centre layout before you stitch.
