 Clue 2

We will continue with a few larger cuts for this clue. I have also included the lattice cutting at the end. We are doing some easy blocks today, no templates or stars... just HSTs, QST (quarter square triangles), rectangles, and squares to complete. Please leave the strip-set units we cut in clue 1 for now, we will use them in clue 3. We will complete four (4) Block A and ten (10) Block B units followed by the lattice cutting.

Block A:

<b>LIGHT</b>	<i>All Sizes</i>
<i>WOF scraps from C1</i>	<i>Scraps</i>
<i>3-1/2" x 9-1/2" rectangles</i>	4
<b>AND</b> <i>3-1/2" x 12-1/2" rectangles</i>	4
<b>MEDIUM</b>	<i>All Sizes</i>
<i>6-1/2" WOF strips</i>	<i>Scraps or 1</i>
<i>Sub-cut to 6-1/2" squares</i>	4
<b>DARK</b>	<i>All Sizes</i>
<i>3-1/2" WOF strips</i>	<i>Scraps + 1</i>
<i>Sub cut to 3-1/2" x 6-1/2" rectangles</i>	4
<b>AND</b> <i>3-1/2" x 9-1/2" rectangles</i>	4

This is a very easy block to assemble, squares and rectangles sewn together. Let's begin with the MEDIUM squares. We will add the rectangle strips like a log cabin block. Please press away from the pieced seam (toward the outside of the block). Complete, these should measure 12-1/2".

Clue 2

**Block B:**

<b>LIGHT</b>	<i>All Sizes</i>
5-1/4" WOF strips	1
Sub-cut to 5-1/4" squares	3
4-7/8" WOF strips	Scraps + 1
Sub-cut to 4-7/8" squares	10
4-1/2" WOF strips	2
Sub-cut to 4-1/2" squares	10
<b>MEDIUM</b>	<i>All Sizes</i>
5-1/4" WOF strips	1
Sub-cut to 5-1/4" squares	3
4-7/8" WOF strips	Scraps + 2
Sub-cut to 4-7/8" squares	15
4-1/2" WOF strips	Scraps + 2
Sub-cut to 4-1/2" squares	20
<b>POP</b>	<i>All Sizes</i>
5-1/4" WOF strips	1
Sub-cut to 5-1/4" squares	6
4-7/8" WOF strips	3
Sub-cut to 4-7/8" squares	25

*Let's grab those 4-7/8" squares. We need to make some HSTs from these. We need 10 of the LIGHT and MEDIUM and 20 POP squares. Please set the remaining POP and MEDIUM 4-7/8" squares for a bit later. Please draw ONE diagonal line on the wrong side of your lightest fabric, I drew on my POP. We will mate a POP with the other squares to create HSTs in two colour-ways.*

*These HSTs should measure 4-1/2" after you square and press them. You will have 10 LIGHT/POP and 10 MEDIUM/POP HSTs now.*

Please grab the remaining 4-7/8" squares (5 POP and 5 MEDIUM) and cut on ONE diagonal.

Grabbing the 5-1/4" squares (all fabrics), We will mate these (after drawing ONE diagonal line on the wrong side of our POP fabric) pop with light and pop with medium. We will stitch these exactly like a HST (a scant 1/4" to the left and right of the line). Now, we will cut on BOTH diagonals. These final triangles should measure 4-7/8" on one of the short sides.

We will pair these with the 4-7/8" POP and MEDIUM triangles we cut after assembling our HST. Please pair MEDIUM to MEDIUM/POP and POP to LIGHT/POP.

Please square these to 4-1/2" and press away from the pieced triangle. You should have ten (10) of each colour-way.

Grabbing these units and the remaining 4-1/2" squares, let's lay out this beauty. We need 10 of these. Please press these the way the fabric wants to. It will be more flat this way. These blocks should measure 12-1/2" now.

Assembled, these should measure 12-1/2". We are ready to cut the lattice if you choose to use it.

The lattice is *OPTIONAL*, remember this fabric is accounted for in the requirements. I will be adding it to my design.

*Lattice Cutting: (please remember, this is optional and will make your quilt larger)*

<b>DARK</b>	<i>Larger size</i>
<i>12-1/2" WOF strips</i>	4
<i>Sub-cut to 1-1/2" x 12-1/2" strips</i>	97

*You should get about 27-28 from each WOF strip.*
