 Clue 6 REVEAL and Borders

Here we are at the end of another mystery. I love this design and the fabrics I chose. I am hoping you love yours as well. So before I give you border measurements, I wanted to show you the centre layout. If you want to make this your “centre stage” you can assemble and finish as desired. Your design will measure about 63” or 84” now. I decided I wanted to go bigger, so I carried on with the borders.

Border ONE:

INSPIRATION	<i>9” blocks</i>	<i>12” blocks</i>
<i>2-1/2” WOF strips</i>	<i>7</i>	<i>9</i>

Border TWO: I reduced those double dot blocks to put in the corners and reversed the colours. Please ask if you want those measurements...

BACKGROUND CONTRAST	9" blocks	12" blocks
5" WOF strips	7	
6-1/2" WOF strips		9

Finally you should have enough to bind with... These are the amounts IF you added all borders...

BACKGROUND	9" blocks	12" blocks
2-1/2" WOF strips	8-9	11

Finished product:
