 Clue 1

*We always start with our largest cuts in the early clues. This gives us larger “scraps” to use in later clues with our smaller cuts. I find this uses less fabric than I think it should and I always have plenty. SO, this clue is our larger cuts. We are creating some large chevrons in two colour-ways...three different sets of blocks. We should have sixteen (16) blocks by the end of the clue. We will cut everything in this chart, then layout and assemble two sets of 4 blocks and one set of 8 blocks.*

*Blocks A, B, and C:*

<b>DARK</b>	<b>8" blocks</b>	<b>10" blocks</b>
<i>9-1/4" WOF strips</i>	<i>1</i>	
<i>Sub-cut to 9-1/4" squares</i>	<i>4</i>	
<i>Cut squares on BOTH diagonals for triangles</i>	<i>16</i>	
<i>4-7/8" WOF strips</i>	<i>2</i>	
<i>Sub-cut to 4-7/8" squares</i>	<i>16</i>	
<i>Cut squares on ONE diagonal for triangles</i>	<i>32</i>	
<i>11-1/4" WOF strips</i>		<i>2</i>
<i>Sub-cut to 11-1/4" squares</i>		<i>4</i>
<i>Cut squares on BOTH diagonals for triangles</i>		<i>16</i>
<i>5-7/8" WOF strips</i>		<i>2-3</i>
<i>Sub-cut to 5-7/8" squares</i>		<i>16</i>
<i>Cut squares on ONE diagonal for triangles</i>		<i>32</i>

<b>COMPLIMENT</b>	<i>8" blocks</i>	<i>10" blocks</i>

*Our sixteen (16) blocks are all alike in "shape", the difference is in the fabric (colour) placement.*

We will take these triangles and make large flying geese units from them. Our flying geese should measure 4-1/2" x 8-1/2" or 5-1/2" x 10-1/2" and be pressed from the centre. The block is easy to assemble once these are complete.

Here are the three layouts for our blocks:

COMPLIMENT

We will have four (4) each colour way of these . WATCH the placement COMPLIMENT fabric.

And eight (8) of these:

These 16 completed blocks should measure 8-1/2" or 10-1/2" now and I press toward the "top" of the block. This gives us a more flat centre seam with the point of the bottom flying geese unit.
