New Year, New MQA

With the new year upon us, MQA has grown into something we never dreamed of or even could have imagined. As many of you know, we traveled to the United States in 2023 and 2024 for retreats in Montana, Colorado, Tennessee, Ohio, and Vermont. We are excited to say, this year we will be visiting ELEVEN states for 14 retreats! We have also booked a cruise in early 2026. Things are changing so fast! Read on for more fun!

All in all: VIP members, cruises, retreats, kits, many new patterns and way too much fun!

Cruise 2026

We have a cruise on the books for 4-14 February 2026. We will be working with Quilting Adventures by Michelle. Michelle Lapham will organise the cruise side while we work on the kits and design we will be stitching while at sea.

I will have a website up and running soon for you to see what we are doing and how you can join us!

Please contact Betty via email: southwestretreat2024@gmail.com for registration to our land retreats, or info for any retreat or cruise. She is one amazing lady, working with me on adding more cruises to the itinerary.

About those kits...

Many have asked for kits in the past for some of our mysteries. We are thinking about venturing out to provide kits for our most popular designs (to start with). I'm thinking down the line, we will offer kits for each mystery. At this point, we will be offering kits for our retreats and definitely for the cruise that's on the books for February, 2026.
