Kits

We will have kits available for you for our retreats. Just another reason to sign up early... we need to order and prepare your kits. Colour-ways out to you soon!

Such a busy month

I don't know about you, but February was incredibly busy. I completed several of our mysteries for the retreats and am trying to recreate my app that helps me get the designs from my head to paper and to you. My iPad failed me and when I re-installed the app, I found I had lost EVERYTHING I had done to that point. Sad day!

I am looking forward to more amazing designs in our future. We have just started *Strong Suit* for our weekly mystery and *Long Winter's Nap* for our monthly mystery. Both can be found on the website for you: mysteryquiltsanonymous.com
