Clue 2

Please be sure to use any leftover fabric from Clue 1 before cutting new WOF strips. These charts assume NO leftovers, please watch and cut only what you need to. We will be creating only one set of blocks for this clue, but we need twenty-four (24) of these babies!! Square is given first, rectangle suggestions are given in (parentheses).

Block A: square needs all 24, the (rectangle needs 12 for now).

Sub-cut to 8" squares		*24 (12)*
FOCUS	*8" blocks*	*10" blocks*
2-1/2" WOF strips	*2 (1)*	
Sub-cut to 2-1/2" squares	*24 (12)*	
3" WOF strips		*2 (1)*
Sub-cut to 3" squares		*24 (12)*
ACCENT	*8" blocks*	*10" blocks*
2-1/2" WOF strips	*8 (4)*	
Sub-cut to 2-1/2" x 6-1/2" units	*48 (24)*	
3" WOF strips		*10 (5)*
Sub-cut to 3" x 8" units		*48 (24)*

This block is very easy to assemble. We are making a 4-patch units, but the units are not all squares… don't worry, it's SUPER EASY!

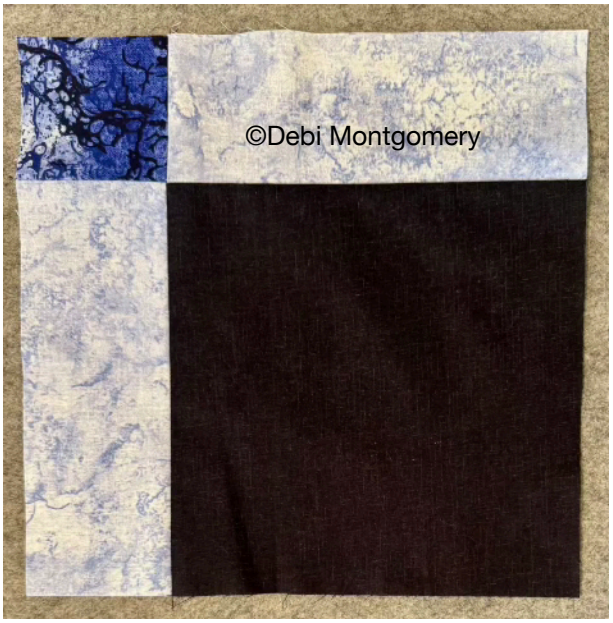
Deconstructed:

I assembled two rows with two units:

Row 1 will be the FOCUS square with one ACCENT rectangle.

Row 2 will be one ACCENT rectangle with the BACKGROUND square.

Complete:



I pinwheeled the seam allowance where all four units joined to reduce bilk right there.

Our 24 (12) completed blocks should measure 8-1/2" or 10-1/2" now.

Was it as easy as I said?

I have 24 of these since I am creating the square version. You will need 12 for the rectangle.
