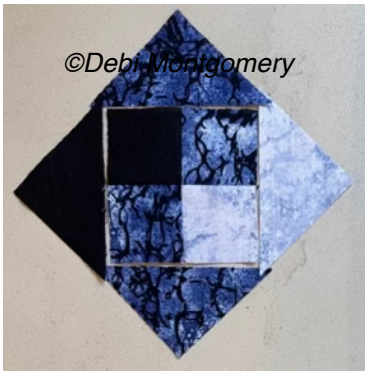
Clue 4

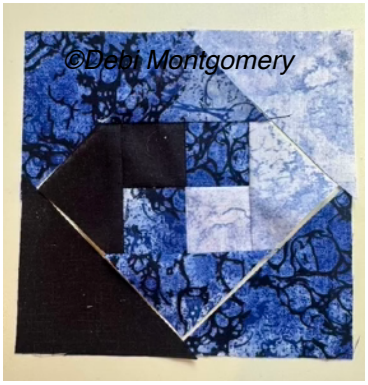
This clue brings us some units we will use in Clue 5. There are a lot of these beauties, therefore I decided to do this in one clue and finish the blocks in Clue 5. How fun! Let's just get busy! Also, both the square and the rectangle need ALL units.

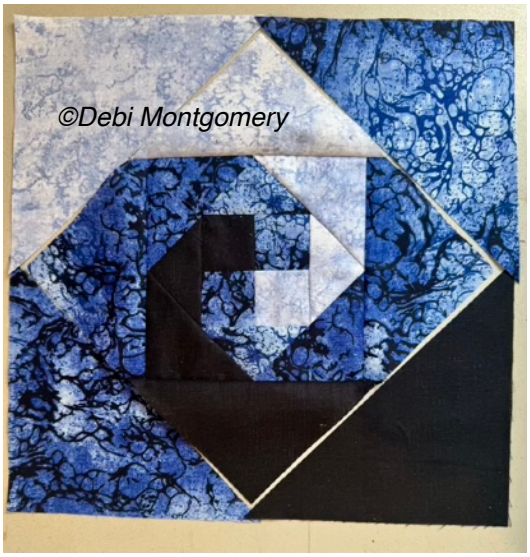


Block A: let's make some more snail trails, but this time, they will spin in the opposite direction…

Please note those fabrics touching LAST under the needle. Remember that YouTube tutorial, you can go back and watch it again if you need to.

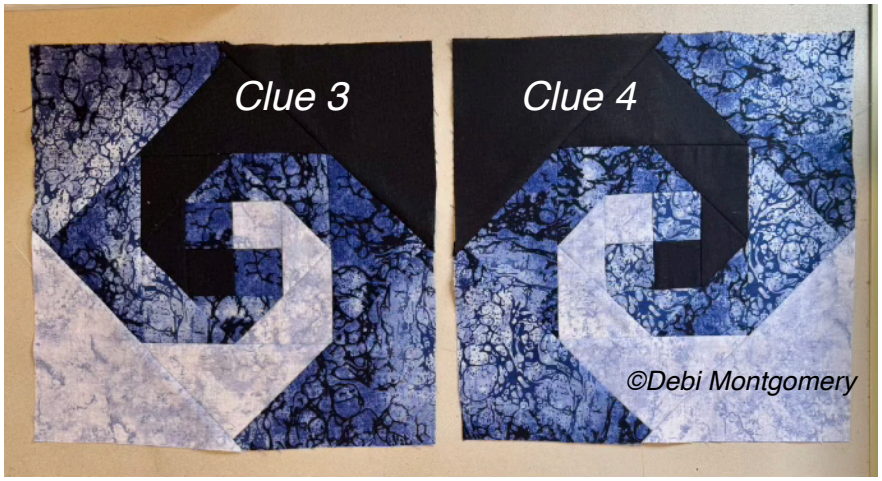
We will "build" our block just like we did in Clue 3. I finger press those triangles on the centre to keep my blocks "square".





Round 4 brings us to our finish again!

	8" blocks	*10" blocks*
4-patch units	*2-1/2"*	*3"*
Round 1	*3-1/2"*	*4"*
Round 2	*4-1/2"*	*5-1/2"*
Round 3	*6"*	*7-1/2"*
Round 4	*8-1/2"*	*10-1/2"*



Units for Clue 5:
Unit A: this is a TWO fabric cutting chart, please cut the required units from EACH fabric.

BACKGROUND and ACCENT	*8" blocks*	*10" blocks*
4" WOF strips	*Scraps + 3*	
Sub-cut to 4" squares	*32*	
4-5/8" WOF strips		*4*
Sub-cut to 4-5/8" squares		*32*

We need to assemble some hourglass units with these squares. We will start the process by assembling HST units like we did in an earlier clue… Please don't trim these down, make the hourglass units first, trimming once the unit is complete. You can use a scant 1/4" here to give you more room to "square" these.

I did press the HST units to help me nest the seams for a perfect centre point. The hourglass units need to be pressed and trimmed to 3-1/4" or 3-7/8" now.

We need 64 (yes, sixty-four) hourglass units.

Units B and C: similar in strip sizes, cutting together…

BACKGROUND	*8" blocks*	*10" blocks*
1-7/8" WOF strips	*6*	
Sub-cut to 1-7/8" squares	*96*	
1-1/4" WOF strips	*9*	
2-1/4" WOF strips		*7*
Sub-cut to 2-1/4" squares		*96*
1-3/8" WOF strips		*10*
FOCUS	*8" blocks*	*10" blocks*
1-1/4" WOF strips	*8*	
1-3/8" WOF strips		*9*
ACCENT	*8" blocks*	*10" blocks*
1-7/8" WOF strips	*1*	
2-1/4" WOF strips		*1*

Let's assemble some strip-sets:
BG 1-7/8" and FOCUS 1-1/4" (BG 2-1/4" and FOCUS 1-3/8") - 2 BG WOF and 4 FOCUS WOF We need two sets with the BG in the centre and a FOCUS on either side.

ACCENT 1-7/8" and BG 1-1/4" (ACCENT 2-1/4" and BG 1-3/8") - 1 ACCENT WOF and 2 BG WOF, same again, ACCENT in the centre with a BG on either side.

BG and FOCUS 1-1/4" (1-3/8") 7 WOF strips each, seven strip-sets with one BG and one FOCUS. With these we will assemble some 4-patch units like we did for our snail trails. We need 96 (ninety-six) 4-patch units. Our 4-patch units, once we mate those strip-sets, should be cut at 1-1/4" or 1-3/8" (depending on your chosen size) to make our 4-patch units 1-7/8" or 2-1/4".

We will finish these blocks in Clue 5…
