Clue 5

First things first, let's take those units we made in Clue 4 and cut some more squares to assemble Blocks A, B and C. It sounds crazy, but all the hard work is finished. We will lay out and stitch up the blocks! I may also give you some cutting to do for Clue 6… EASY cutting, I promise, just some WOF strips.

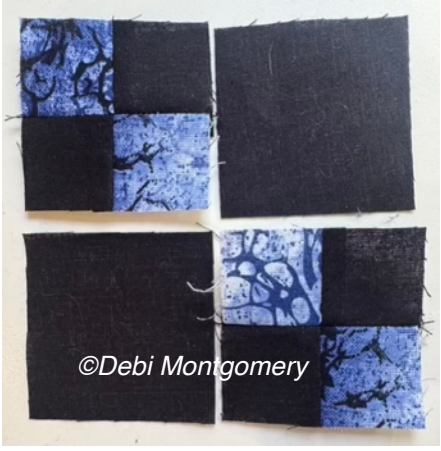
Blocks A, B, and C: (16 total blocks)

BACKGROUND	*8" blocks*	*10" blocks*
3-1/4" WOF strips	*2*	
Sub-cut to 3-1/4" squares	*16*	
3-7/8" WOF strips		*2*
Sub-cut to 3-7/8" squares		*16*

We need to make 16 more 3-1/4" or 3-7/8" units before we can lay these out. We will use those strip-sets we created in Clue 4. We need to cut the BG/FOCUS (larger BG smaller FOCUS) strip-sets into 32 (thirty-two)1-1/4" or 1-3/8" segments. The larger ACCENT with the smaller BG strip-sets need to be cut to 16 (sixteen) 1-7/8" or 2-1/4" segments. We need sixteen units with the smaller segments on the outside of the larger centre.

For the 8" every thing is LARGE and will need trimming down to get your final 8-1/2"… testers suggest sliver trimming to maybe just smaller than 3-1/4" parts.

Grabbing those remaining 4-patch units from Clue 4 and the 1-7/8" or 2-1/4" background squares we cut in Clue 4 to complete some larger 4-patch units. We need 48 (forty-eight) of these little guys that measure 3-1/4" or 3-7/8" now. I pinwheeled that centre seam to reduce bulk.



Now let's lay them out!!

We need four (4) of this layout:

Eight (8) of these

Four (4) of these

This should leave you with all your strip-sets used and all our hourglass units, 4-patch units, and 9-patch units in our blocks. These should ALL measure 8-1/2" or 10-1/2" now.

Cutting for later: TWO fabric chart; you know the drill! These can be from any scraps in the colour-way you have chosen. You can use multiple fabrics to make up the WOF strips needed. Square (Rectangle)

BACKGROUND and ACCENT	*8" blocks*	*10" blocks*
1-3/8" WOF strips	*16 (12)*	
1-5/8" WOF strips		*16 (12)*
FOCUS	*8" blocks*	*10" blocks*
1-3/8" WOF strips	*1 (1)*	
1-5/8" WOF strips		*1 (1)*

We will use these WOF strips in Clue 6.
